## GERMAN NOTE IS DELIVERED BY MR. GERARD TO JAGOW

FORMAL PRESENTATION WAS MADE AT ELEVEN O'CLOCK, FRIDAY

BRYAN CONTINUES TO TALK AND EXPLAIN

LANSING SAYS NOTE WAS NOT ALTERED AFTER MR. BRYAN HAD READ IT

(By Associated Press.)  
BERLIN, VIA LONDON, 4 P. M., JUNE 11.—AMBASSADOR GERARD PRESENTED THE SECOND AMERICAN NOTE AT THE GERMAN FOREIGN OFFICE AT 1:10 O'CLOCK TODAY.

Bryan Talks Again.

Washington, June 11.—W. J. Bryan issued another statement today expressing gratification of what he termed a change of tone on the part of the press regarding the note to Germany.

"It is a relief to find the papers emphasizing the friendly tone of the note, pointing out that it does not necessarily mean war," he said.

Bryan told an anecdote of a congressman who had suggested a vote on war with the understanding that those who vote for war enlist first and those against war be not called to serve until after those who want war had exhausted their efforts. "I still believe," said Bryan, "in the right of the people to rule and think the congressman's suggestion might insure deliberate action on the part of the voters."

Note Not Altered.

Washington, June 11.—It became known today that although the second note to Germany was shown to former Secretary Bryan by direction of the president just before it was dispatched, it was not altered after Bryan had seen it.

Acting Secretary Lansing who showed Bryan the note, said: "Not a word of letter has been changed."

Lansing signed the note immediately after the Bryan conference.

Lansing attended the cabinet meeting at the request of the president today.

Glad Bryan is Out.

Baltimore, June 11.—"Thank God that Bryan has at last got out!" was the manner in which Waldo Newcomer, president of the National Exchange Bank, expressed himself when informed of the premier's resignation.

"I felt that he was never wanted for the position and have always maintained the feeling that the sooner he withdrew from the management of the affairs of this country the better for the masses over which he helped to preside."

"The most delightful thing I ever heard," said John H. Nelson, a man equally as prominent in the financial affairs here, "I have done nothing but cheer since I heard the news," he continued, "and I expect to keep up the optimistic spirit. We are at last

## "ROUGH HOUSE" AT FOURTH STREET RESORT LAST NIGHT

NOTORIOUS "RED FRONT" JOINT PADLOCKED; POLICE ARREST TEN DRUNKS

The "Red Front," notorious resort located at the corner of Perkins and Fourth street, was raided last night by the city police after a "rough house" and several gun plays had been staged. Chief Mitchell and a squad answered a hurry up call turned in at 10 o'clock last night. The drag net resulted in a catch of ten husky blacks, all of whom are now in the city bastille.

The "Red Front" has a bad reputation and residents of that neighborhood are jubilant over its elimination. The place is now under padlock.

## RURAL CARRIERS OF MAIL TO MEET HERE

The local committee of rural letter carriers is making preparation to entertain the delegates and visitors of the rural letter carriers association to be held in Guthrie July 5th and 6th. It will be remembered that twelve years ago the rural letter carriers of Guthrie assembled at the home of one of the local carriers, and organized the Oklahoma Rural Carriers association.

The fact that Oklahoma rural letter carriers association was organized by Guthrie carriers is a memory cherished by every carrier in Logan county. There are 42 carriers in Logan county, and one hundred per cent are in the association.

After a period of twelve years, the association having a desire to see its birthplace, decided on Guthrie for a convention city in 1915 and the citizens of Guthrie and Logan county are proud of the opportunity to extend the glad hand to the men who come in daily contact with the Oklahoma farmer. The association that started here an infant, now returns after 12 years, a mighty giant. There will be at least two hundred visitors in attendance at this convention and plans are being perfected for their entertainment.—Luther Arnold.

## RETAIL MERCHANTS TO MEET THIS EVENING

Every retail merchant in the city is urged to attend the meeting of the retail merchants at the chamber of commerce at 8 o'clock this evening. Various matters of importance to the business interests of the city will come up for discussion and action and none can afford to remain away. Come and bring your friends also your complaints, suggestions or plans for the betterment of business conditions.

## POINTS OUT THE MERITS OF NEW STATE ROAD LAW

COL. LEECRAFT DISCLOSES SECRETS OF NEW HIGHWAY CONSTRUCTION

Oklahoma City, Okla., June 11.—Colonel A. N. Leecraft, secretary to Governor Williams, represented the governor at the Ozark Trails convention this week in Independence, Kan. In the course of his remarks he discussed the Oklahoma highway law, recently enacted, as follows:

"The new road law of Oklahoma emphatically says farewell to dilapidated wooden bridges and good-night to the old tin can culverts. The law provides that all bridges and culverts built in the state shall be of permanent construction. First, stone; second, reinforced concrete, and third, steel with stone or concrete abutments."

"After the road is built, the next important thing is to take care of it and to remove everything that would impair or destroy it. In this connection we come to the narrow-trail wagon, which is an old enemy of good roads and has been the cause of untold damage to them. Here, again, we come to

## GIRLS CHARGED WITH STEALING YOUNG MAN

YOUNG MAN HAD GOOD TIME, BUT MAMMA IS SORE ALL THE WAY THROUGH

New York, June 11.—Charged with stealing a young man for a few hours, Miss Annabelle Schaeffer, 24 years old, and Miss Emma, her sister, 18 years old, were held in \$500 bail for the grand jury by Judge Wolf yesterday at Newark, N. J. Clarence Smith, whom the sisters bore to their home, No. 209 West Hiney street, is a very young indeed. He's four.

Clarence was romping in front of the home of his aunt, Mrs. Ethel M. Walker, No. 64 Howard street, when the sisters, who had long known the boy's parents, took him home to make merry a dull afternoon, for a "kidnapped" person he had a fine time. There were many games and lots of candy and a new suit of clothing for him.

His aunt and his mother were distraught over the child's disappearance and appealed to the police, who were searching when the Misses Schaeffer came to the Walker home with Clarence, who was chuckling. But mother and aunt were indignant and demanded that Policeman Walker arrest the girls.

Judge Wolf ignored the girls' plea that they only carried Clarence off to "show him a good time."

This is just part of the family of General Huerta, former dictator of Mexico. The photographer who took the picture could not wait till the whole family, thirty strong, consisting of sons and their wives and children, daughters and their husbands and children and grandchildren could be rounded up. The picture was taken after the big family was settled at Forest Hills, Long Island, where General Huerta has rented a pretentious home.

## DEMAND IS MADE FOR CIVILIZED WARFARE IN NOTE

SECOND MESSAGE TO GERMAN MANY ON LUSITANIA IS FRIENDLY BUT FIRM

Washington, June 11.—The text of the American rejoinder to the German government's reply to the note following the sinking of the Lusitania follows:

The Secretary of State, Interior to the American Ambassador to Berlin, Department of State.

Washington, June 9, 1915.  
American Ambassador, Berlin: You are instructed to deliver textually the following note to the minister of the general affairs:

In compliance with your excellency's request, I did not fail to transmit to my government immediately upon the receipt of your note of May 28 in reply to my note of May 15 and your supplementary note of June 1, setting forth the conclusions so far as reached by the Imperial German government concerning the attacks on the American steamers Cushing and Gulfight. I am now instructed by my government to communicate the following in reply:

Germany's Argument Surprises President.  
The government of the United States notes with gratification the full recognition by the Imperial German government in discussing the cases of the Cushing and the Gulfight, of the principle of freedom of all parts of the open seas to neutral ships and the frank willingness of the Imperial government to admit and meet its liability where the fact of attack upon neutral ships "which have not been guilty of any hostile act" by German aircraft or vessels of war is satisfactorily established; and the government of the United States will in due course lay before the Imperial German government, as it requests, full information concerning

## BRYAN MAKES PLEA FOR PEACE DESPITE COST

EX-SECRETARY OF STATE TELLS WHY HE RESIGNED IN PRESENT CRISIS

(By Associated Press.)

Washington, June 11.—In an appeal addressed to the American people W. J. Bryan asks for peace at any cost.

Confident that the public will credit him with honorable intentions, Mr. Bryan frankly says good intentions are not enough and that if the public verdict is against him, he asks for no mercy, asserting that men in public life must be "willing to bear any deserved punishment from ostracism to execution."

"If I correctly interpret the note to Germany, it conforms to the standards of the old system rather than to the rules of the new, and I cheerfully admit that it is abundantly supported by precedents—precedents written in characters of blood upon almost every page of human history."

The most civilized and enlightened—aye, the most Christian of the nations of Europe are grappling with

## SHERIFF'S OFFICE SWOOPS DOWN ON YOUNG BANDITS

CAVE FILLED WITH "LOOT" DISCOVERED BY ED ROBERTSON; CULPRITS CAPTURED

During the past two months many complaints of theft have been filed with city and county officers by farmers and poultry growers.

Yesterday Deputy Sheriff Ed Robertson, who has been at work on the numerous complaints, rounded up the thieves. It developed that the depredations were committed by a band of bad young thieves, ranging in age from 11 to 14. The "kid" robbers, had a cave on the school section south of town where they cached the stolen articles. The "goods" recovered by Sheriff Robertson range from a double set of harness down to a safety razor, and includes two watches, 24 young chickens, five fat hens, two roosters, a hair clipper, pair of rubber boots, bridle spurs, three "old timer" cap and ball pistols, and enough food to feed a good sized company of hungry militia for a week.

Names of the six boys arrested were not given by the officers, on account of the respectability of the parents. The boys will probably be sent to the state school for incorrigibles.

Decorate June 14—"Flag Day."

## PADLOCK CAMPAIGN AGAINST JOINTS STARTS

COUNTY WILL COMPEL LANDLORDS TO AID IN ENFORCING LIQUOR LAW

All buildings that house known violators of the prohibitory law will be padlocked. That is the promise made by County Attorney Swank. "When it is proved that an occupant is selling whiskey, the owner of the building will be notified that action against him will follow unless the tenant vacates the building," said the county attorney today.

The Mathews restaurant on West Harrison was raided last night by the sheriff and booze found. A padlock was immediately placed on the building. "If there is anything in the new felony act I am going to find it out right now," remarked Mr. Swank as he ordered the place locked up.

The following letter from the F. O. Lutz store explains itself. Let the good work go on:

We wish to state that we will have our building trimmed on the outside with 12 big American flags, size 5 by 8 and we will trim the inside also, to encourage the flag day movement and to support you in the effort to make it a success. Yours truly, The F. O. Lutz Dry Goods Co., Guthrie, Okla., June 10.
